How it Works

1·1·1 project

Family in Need → *is visited by* → Local Churches → *types need into* → CarePortal → *shares need with* → **Church Response Team** → *ensure that* → Family Helped

CHURCH PROCESS
1. Church Identifies Need
2. Church has options on Submitters
3. "Church Need Leader" role approves to send to response team

RESPONSE MANAGEMENT
1. Church response team receives request
2. When church responders offer to help, they get connected to request Submitter. Church Needs Leader is copied. Responder & Submitter coordinate serving of family.

Best Practices In Making Church Needs

Honor (does it need to be confidential?)
Show Connection (Emphasize Relationship)
Advocate (Strengths & Needs)
Significance (Need vs Want)
Show Cooperation (Is Family Involved)
Tee'd Up for Success (Make it Easy)
Responsiveness (Quickly/by Text?)
